

Fresh ideas in foodservice equipment

BKI's ALF-F Electric Auto-Lift Fryer shown above with optional Lid Cover and Hanger assembly

Auto-Lift Fryers

Model: ALF, ALF-F, ALF-FC

Large Volume Electric Automatic Lift Fryer with optional Computer and Filter

Easily implement and manage your fried food program with BKI's Auto-Lift Fryers. Load the food, set the fryer with the microprocessor control and within minutes, a basket full of juicy, delicious food automatically rises and is ready to be served. BKI's patented "Quick-Disconnect" filtration system helps ensure a simple and easy filter assembly removal process. Highest quality construction stands up to heavy use. Exceptional pricing makes the BKI automatic lift fryer the profitable, value choice for any retail or catering business.

Standard Features:

- 14 lbs. (6.4 kg) Product, 48 lb (21.8 kg) Oil Capacity (4 Head Chicken)
- External Material (18 gauge, 304 Stainless Steel)
