

Convection Oven MIWE econo 10.1826

The new MIWE econo 10.1826 oven –
MIWE quality, economically priced

The MWE econo 10.1826 handles the standard US size, 18" x 26" pans. The MIWE econo has a built in steam system that makes it perfect for bakery operations of all types.

The MIWE econo comes standard with our high performance FP controls, featuring 30 programs and 12 programmable pictogram keys located directly on the touch pad.

The MIWE econo offers the same energy efficiency as the aero and signo as well as the same baking results. The 4 speed reversing fan moves the air in opposite directions to cover the entire baking chamber.

Features:

- US pan size capacity, 18" x 26"
- 10 positions and 5 pan holding grids
- Holds either 10 pans with 2" spacing or 5 pans with 4" spacing
- Double-layered large glass viewing window with halogen lights
- Built-in steam system capable of pulsing or full steam cycle
- 4 speed reversing fan in the easy-to-clean bake chamber
- FP controls with 30 bake programs, 12 of which are preset keys with exchangeable pictograms
- 5 bake phases per program
- Real time clock with automatic morning start up programmable
- Computer interface for storage of programs on PC, laptop or handheld

Options:

- Stand with tray holders and castors
- Double stacked and other versions available
- Steam hood with fan
