## Grab and Go Merchandisers

### Multi Deck 24 3 level

*Placing impulse food products near checkouts has proven to be a successful strategy in today's grab-and-go market. With the Fri-Jado Multi Deck, your customers can pick up delicious, hot, pre-packaged snacks and meal solutions practically anywhere in the store.*

*Hot air is blown from the front of the shelf and circulates within the shelf surface resulting in optimum air circulation around the hot product.*

*As the Multi Deck has limited height it can easily be installed as an aisle end or integrated in your deli department without blocking your customers' view. The large glass surface and lighting on each shelf draw extra attention to your products, boosting impulse sales.*
